MEMORANDUM

TO: H - W. Tapley Bennett, Jr.

FROM: INR - Hugh Montgomery

SUBJECT: Department's Legislative Program, 99th Congress,
Joint Session

REFERENCE: H Memo August 6, 1984

The following is INR's response to reference memorandum.

PART I -- PRESIDENT'S PROGRAM PROPOSALS

None.

PART II -- OTHER PROPOSALS

INR has no submission other than its authorization and appropriation requests, handled separately.

INR would like to use this opportunity, however, without addressing the merits of the other proposals, to endorse three important proposals contained in the Intelligence Community Legislative Program (OLL 84-2509/1), dated 25 July 1984, a copy of which is attached. INR supports the following proposals important to the Intelligence Community:

PART II

99/1 - 2: Fiscal Year 1986 Intelligence Authorization Act

The Director of Central Intelligence will submit to the Office of Management and Budget a proposed Fiscal Year 1986 Intelligence Authorization Act for transmittal to the Congress.

- 2 -

99/1 - 4: Overcoming Impediments to Naturalization of Certain Persons Contributing to the National Intelligence Mission

This proposal is designed to amend the Immigration and Nationality Act to authorize the waiver of general residency and physical presence, and several other technical requirements, which currently impede the naturalization of certain persons who have made a substantial contribution to the national intelligence mission.

With respect to the third item, we would support Agency proposals to amend the Classified Information Procedures Act which would be beneficial to the Intelligence Community

99/1 - 6: Classified Information Procedures Act Amendments

The Director of Central Intelligence may propose amendments to the Classified Information Procedures Act to ensure that classified information is protected from all possibility of disclosure after indictment in any criminal case.
